(LACDPW FILE #EP-1000986-001034)**

Dear Mr. Awujo:

Holguin, Fahan & Associates, Inc. (HFA), on behalf of ExxonMobil Oil Corporation (ExxonMobil), is pleased to present the first quarter 2006 status report for the above-referenced site. The report presents a summary of the activities completed during the first quarter of 2006 and the activities planned for the second quarter of 2006.

HFA submitted a work plan for site assessment activities dated October 25, 2005, to the Los Angeles County Department of Public Works (LACDPW), which proposed the installation of three groundwater monitoring wells and the drilling of one soil boring to assess the extent of subsurface hydrocarbons.

During the second quarter of 2006, HFA requests that the LACDPW review the referenced work plan. Upon issuance of an approval letter, HFA will implement the proposed work.
